

Mona-Lisa Montgomery

Scene: Mona-Lisa is comforting Hope after her job loss. She's using humor to lift Hope's spirits but also reminding her of her inner strength. This scene showcases her extroverted, lively personality while balancing moments of sincere encouragement.

Mona-Lisa's Lines: "Oh please, girl, they didn't deserve you anyway! I've been telling you that for years. You should've quit ages ago and opened your own company or something. They'd be shaking in their boots if they knew how fabulous you really are."

(switching to a softer tone)

"But seriously, Hope, you're gonna be fine. You've been through way worse and come out shining. This is just a bump. Not even a bump... more like a tiny pebble on the road to greatness. You'll find something better—God's got a plan for you. And trust me, it's going to blow your mind."
